Dear Sirs,

**Re: Sunday League Football**

Over the last twelve months the Football Association of Wales has been carrying out a review of sending-offs in 'Sunday league football' and the often disproportionate effect the suspensions are having on 'Saturday football'.

Please take note that at its meeting on 22<sup>nd</sup> August 2011, the Council of the Football Association of Wales considered the results of the review and approved the following recommendations which shall come into force **with immediate effect** –

1. A Player automatically suspended as a result of on-field offences (sending-off/cautions) whilst participating in 'Saturday football' shall be suspended from ALL football (including 'Sunday league football').
2. A Player automatically suspended as a result of on-field offences (sending-off/cautions) whilst participating in 'Sunday league football' shall be suspended only from 'Sunday league football' matches. The player shall be permitted to participate in 'Saturday football'.
3. A Participant (Player/Club official) suspended by a disciplinary panel/commission as a result of a proven charge of misconduct, shall be suspended from 'Sunday league football' and/or 'Saturday football' as determined by the disciplinary panel/commission.

It is anticipated that the above provisions will reduce the issues arising from players being registered in both 'Sunday league football' and 'Saturday football', whilst at the same time encourage greater participation in 'Sunday league football'.

Should you have any queries concerning the above, or any other related matter, please do not hesitate to contact Robert Dowling (FAW Disciplinary Officer) on (029) 20 435850.

Yours faithfully
